I did my tax return, and it says I have a VET FEE Help debt, but I cancelled my course

If you withdraw from a course after a census date you will have incurred a VET Fee-Help debt. This is explained in the terms and conditions of the VFH Assistance Form. VET Fee-Help debt can be reversed in Special Circumstances. The Australis College Special Circumstances Policy can be accessed:

If you believe you are eligible, email student.services@australiscollege.edu.au to request an Application for Special Circumstances Form.
